

Madisonville's **Potluck Church**

(<http://www.potluckchurch.com>) practices an informal worship centered around a potluck fellowship meal and culminating in the Lord's Supper. Each Tuesday at 6pm, Potluck Church reads scripture in conversation, shares each other's prayers, and support one another's servant ministries and callings. **Rev. Rachel Nance Woehler** and the other co-conveners of Potluck Church reach out especially to individuals who, for whatever reason, do not attend a traditional worship service on Sunday mornings. Since 2013, the church has gathered for its potluck meal, potluck conversation and communion.
