

Thriving Congregations have at least ten things in common. In this 90-minute Zoom workshop, Erin Cash will lead you through exercises in discovering the traits you already have and discovering those you want to develop. The workshop is designed to be attended by teams from congregations – each pastor should bring at least 2 lay leaders from their congregation.

Rev. Dr. Erin Cash is the Project Director of the Thriving Congregations Project at Lexington Theological Seminary. She is ordained in the Christian Church (Disciples of Christ) and serves as an Elder at First Christian Church, Georgetown.
