Your Gift's Impact

- 25% to support the mission and ministry of the Christian Church In Kentucky.
- 75% to support the mission and ministry of the Region's camping program. (Distribution of funds to Wakon Da' Ho and Kum-Ba-Ya, or other camps that may occur, shall be apportioned based on the prior year total of campers in the camp's summer program, excluding directors, staff and counselors.

Ways to Give

There are many ways to make gifts to the Fellowship of the Flame Fund.

WILLS

This is an excellent way to create a gift for the region. Options include leaving a percentage of the estate to the Region, providing a specific dollar amount or leaving a "child's share", that is, if you have three children, divide the estate by four and give each child a fourth, with the region receiving a fourth, as well.

STOCKS AND BONDS

Appreciated assets, such as stocks and bonds, are a tax efficient way to leave a gift. In addition to the gift being tax-deductible, the donor does not have to pay taxes on the capital gains.

LIFE INSURANCE

Naming the Region as the beneficiary of a life insurance policy requires no additional legal work; simply contact your insurance company and complete a new beneficiary form.

IRAS AND RETIREMENT ASSETS

Naming the Region as the beneficiary of a traditional IRA or other retirement account also provides family members with some tax savings. When a tax-deferred retirement account is left to family or friends, it becomes taxable income. Since the Region is a tax-exempt, non-profit organization, 100% of a gifted retirement account can go to the Fellowship of the Flame Fund while other assets can be gifted to loved ones.

Life Income Gifts

Some types of planned gifts can provide a stream of payments to the donor. These deferred gifts, called life income gifts, can be created by making an irrevocable gift of cash or appreciated securities in exchange for a stream of payments. The most popular types are:

CHARITABLE GIFT ANNUITY

This simple contract is an attractive way to provide lifetime payments to an individual or couple, create an income tax deduction for the donor and leave a planned gift for the Region.. The Christian Church in Kentucky works with the Christian Church Foundation to establish gift annuities. The minimum gift amount is \$5,000. The payout rate is based on the ages of the individual or couple when the gift annuity contract is signed. The payments are fixed for as long as the annuitant(s) live(s). The charitable remainder at the death(s) of the annuitant(s) goes to the Fellowship of the Flame Fund. CHARITABLE REMAINDER UNITRUST

These gifts require the creation of a legal trust document and must be funded with \$250,000 or more. This can be a very attractive and tax-effective way to use highly appreciated land or securities as a planned gift while still receiving an income for life or a set number of years.
