Home Phone _____ Emergency Phone _____

Camper Email _____

Parent(s) Email _____

Home Congregation _____

Have you traveled by plane before? Yes / No

Have you visited Washington D.C. or New York before? Yes / No

Camper Covenant with The Christian Church In Kentucky

I have read and agree to the following covenant...

- I will be respectful to all persons and the trip environment at all times;
- I understand that possession of drugs, alcohol, tobacco or weaponry of any sort (knives, firearms, etc.) while on CYF Seminar are prohibited, and I will be sent home immediately at my own expense if these items are found in my possession;
- I will stay with my family group at all times and understand that wandering off on my own or with another person without sponsor permission is unacceptable and I can be sent home at my own expense if I do leave the group.
- I covenant to enjoy this trip as an opportunity to come to know God and learn about other cultures so that I can understand other people and cultures. I will participate fully in all activities so I can get the most out of this trip;
- I will not damage property and understand that I will be held financially responsible for any repairs needed as a result of my actions;
- I understand that if I steal anything from anyone that I will be sent home immediately at my own expense;
- I will not get anything pierced or tattooed on this trip;
- I understand that I may be sent home at my own expense for behaving consistently in a way that does not reflect the grace and love that is expected of persons who claim Christian faith.
